

INTERHOUSE HINDI POEM RECITATION

27.7.12

Attaching importance to the national language that it deserves, D.A.V Public School East of Loni Road endeavours to make students adept in Hindi language in all its facets. This was clearly evident as students from classes I to X revealed their oratory skills in Hindi in the Interhouse Hindi Poem Recitation held on July 27, 2012 in the school. As interhouse activity, students from class III to V recited poems on 'paryavaran.' Students from class V to VIII recited poems on 'manavta' and students from class IX to X recited poems on 'hasya vyang.' Tiny tots from classes I to III also presented vibrating poems in the Hindi poem recitation competition.

In all 56 students, 4 from each house participated. All the students put their heart and soul in giving recitals. Thanks to the Hindi subject teachers and house mentors who inspired them and prepared them to such an extent. Everybody on the floor was overwhelmed with their performance. Even judges were taken to task in selecting the rankers. The school principal and mentor Mrs Sameeksha Sharma presided over the competition and encouraged and motivated the students.
