God is every where (Visit to a church)

On Wednesday, 4 April 2012, children of Pre- School, made a cultural visit to St. Sebastian's Church, Dilshad Garden, Delhi at 10:00 am on the occasion of Good Friday.

The students were accompanied by their class teachers, Mrs. Nishi Bhasin & Ms. Seema Kakra.

The students were attentive when Father Anthony William explained the significance of Good Friday to the students, i.e. how Jesus Christ was crucified for the sake of humanity. This day is seen as the victory over evil. Father Anthony asked few questions related to church & Good Friday to the students. Students of our school were quick to respond. Students sang the song 'God is so wonderful' led by the father of the church.

The visit to the church made our students more sensitive to the rich & varied culture of their country.
