### **Towards all round Fitness (Visit to a Sports Complex)**

On Wednesday, 4<sup>th</sup> April 2012, Children of Pre School, made a visit to Poorvi Delhi Khel Parisar, near GTB Hospital.

The sports complex equipped with facilities like Jogging track, Multigym, Toddlers pool, Skating area, Cricket practice pitch, Children' park & Club size swimming pool was a place full of wonder for the little children. Children enjoyed the pool area the most with great enthusiasm. The visit was planned with an objective to inculcate the importance of sports and its necessity for maintaining our health & physical fitness. Parents also conveyed satisfaction as the visit created an interest among the students along with many queries.

Mrs. Sangita Kataria coordinated the whole visit.
