Dear Parents,

The ongoing unfavourable circumstances have moved the school to reschedule the final academic calendar. Due to unexpected closure of school as a preventive measure, pertaining to the tense and violent situation in the district earlier and now due to spread of COVID-19 the school has to reschedule the assessment schedule. In view of this situation, an online Revision Worksheet will be shared on 09/03/2020 for the students of class III-V through Google link to keep their conceptual knowledge afresh and intact. The worksheet will be given of the following subjects in respective classes:

CLASS	SUBJECT
III	Social Studies
IV	Mathematics
V	English

The worksheet will be easily accessible via Google link which will be shared in the class WhatsApp group on 09/03/2020 at 09:15 a.m. Those who do not have access to the same may collect the hardcopy of worksheet in person from the concerned class teacher on 09/03/2020 between 9:00 am to 9:15 am and submit the duly attempted worksheet by student to the respective class teacher or subject teacher at 11 a.m. **(only parents will come to collect/submit).**

The parents must ensure that child attempts the worksheet in the stipulated time by himself/herself only. Name should be written on the worksheet in order for it to be accepted (in case of hard copy).

This is a new initiative being taken by the school to keep the students in touch with their subject concepts. Such practice is intended to be followed in future too depending on the success of this maiden attempt. Support and cooperation of parents is expected as always to make this endeavour a success.
