

Dear Parents,

With reference to our previous circulars regarding transport safety, a gentle reminder for you in view of the recent untoward incidents in some of the educational institutions, our school is also trying to plug in the loopholes in the security system, if any. As security of the students is a joint responsibility of the school and parents, the school seeks your co-operation as always.

In view of this, the parents using private vans and private rickshaws are hereby requested to be cautious and vigilant, as their vans and rickshaws are not safe, as observed by school. We suggest that they be discontinued. In case, this is not possible, parents must get their van-drivers verified again by the police & must submit other documents for identification, like Aadhar card etc. to the school. Parents are requested again to submit duly filled Proforma to the school providing the details of the drivers as well as the students for our records. This verification will be an annual feature and parents using private transport must submit these verified documents in the month of April every year.

Parents must make an entry in the register at reception, if and when you take your ward before regular school timings. Parent must meet the Principal whenever instructed for this purpose.

As informed, it is mandatory for parents to carry escort cards in order to take away wards from pre-school and pre-primary classes. Parents are requested to carry Escort Cards positively and co-operate with the staff members.

Parents of on-footers/private cabs students should make sure that children are not dropped earlier than 15 minutes before school time.

Parents of on-foot students from classes I to XII must submit their consent attached below, declaring that their wards to be allowed to commute on their own.

The school looks forward to your co-operation & co-ordination in this matter as always with great confidence in your concern for the same.

(Sameeksha Sharma)

Principal

CONSENT

Myself, _____, parent/guardian of _____ of class _____

section _____ of DAV Public School, East of Loni Road, Delhi-93, do hereby give my consent that my

ward be allowed to commute to school on its own.
