

D.A.V PUBLIC SCHOOL, EAST OF LONI ROAD, DELHI-93

May 1, 2021

Dear Parents,

As per the information, The Directorate of Education vide circular No. **PS/ADE/PSB/2021/1665-1670 dated 21st April 2021** has preponed the Summer Vacations for schools this year due to the surge in Covid-19 pandemic cases.

We fully realise that keeping the children fruitfully engaged is challenging these days. The school management has, therefore, designed special hobby classes to help our students to use their creative energies in the best possible way. The purpose of these classes would be to bridge the long learning gap as the learning outcomes are well-aligned with the courses. The classes will be held in two groups i.e. from class III-VI and class VII-X scheduled from **5th May 2021 till 25th May 2021**. Pursuing these hobbies will provide a sense of purpose to our students and will prepare them to learn new things at work.

S.No.	TITLE OF THE HOBBY CLASS	ACTIVITY TO BE TAKEN
1.	Fine Strokes	Art
2.	Treat of Beats	Music
3.	Sportathon	Sports
4.	YogaFit	Yoga

The registration for the above-mentioned activities can be done by the interested participants with their respective class teachers on **first-come-first-served-basis for limited seats**. The classes will be held twice a week for both the groups and schedule will be shared once we complete the registration process.

The school will reopen as per the guidelines issued by the competent authority and the same will be shared with our stakeholders. Our faculty team is continuously supporting and encouraging our children through virtual mode. It is expected that students will make best use of their vacation time. Parents are requested to give their quality time and help their ward to complete their assigned work. The cooperation of our stakeholders is expected as always. Stay Safe, follow covid appropriate behavior and take care of yourself and your family!
