

# DAV PUBLIC SCHOOL

## Pre primary Holiday Homework -2026

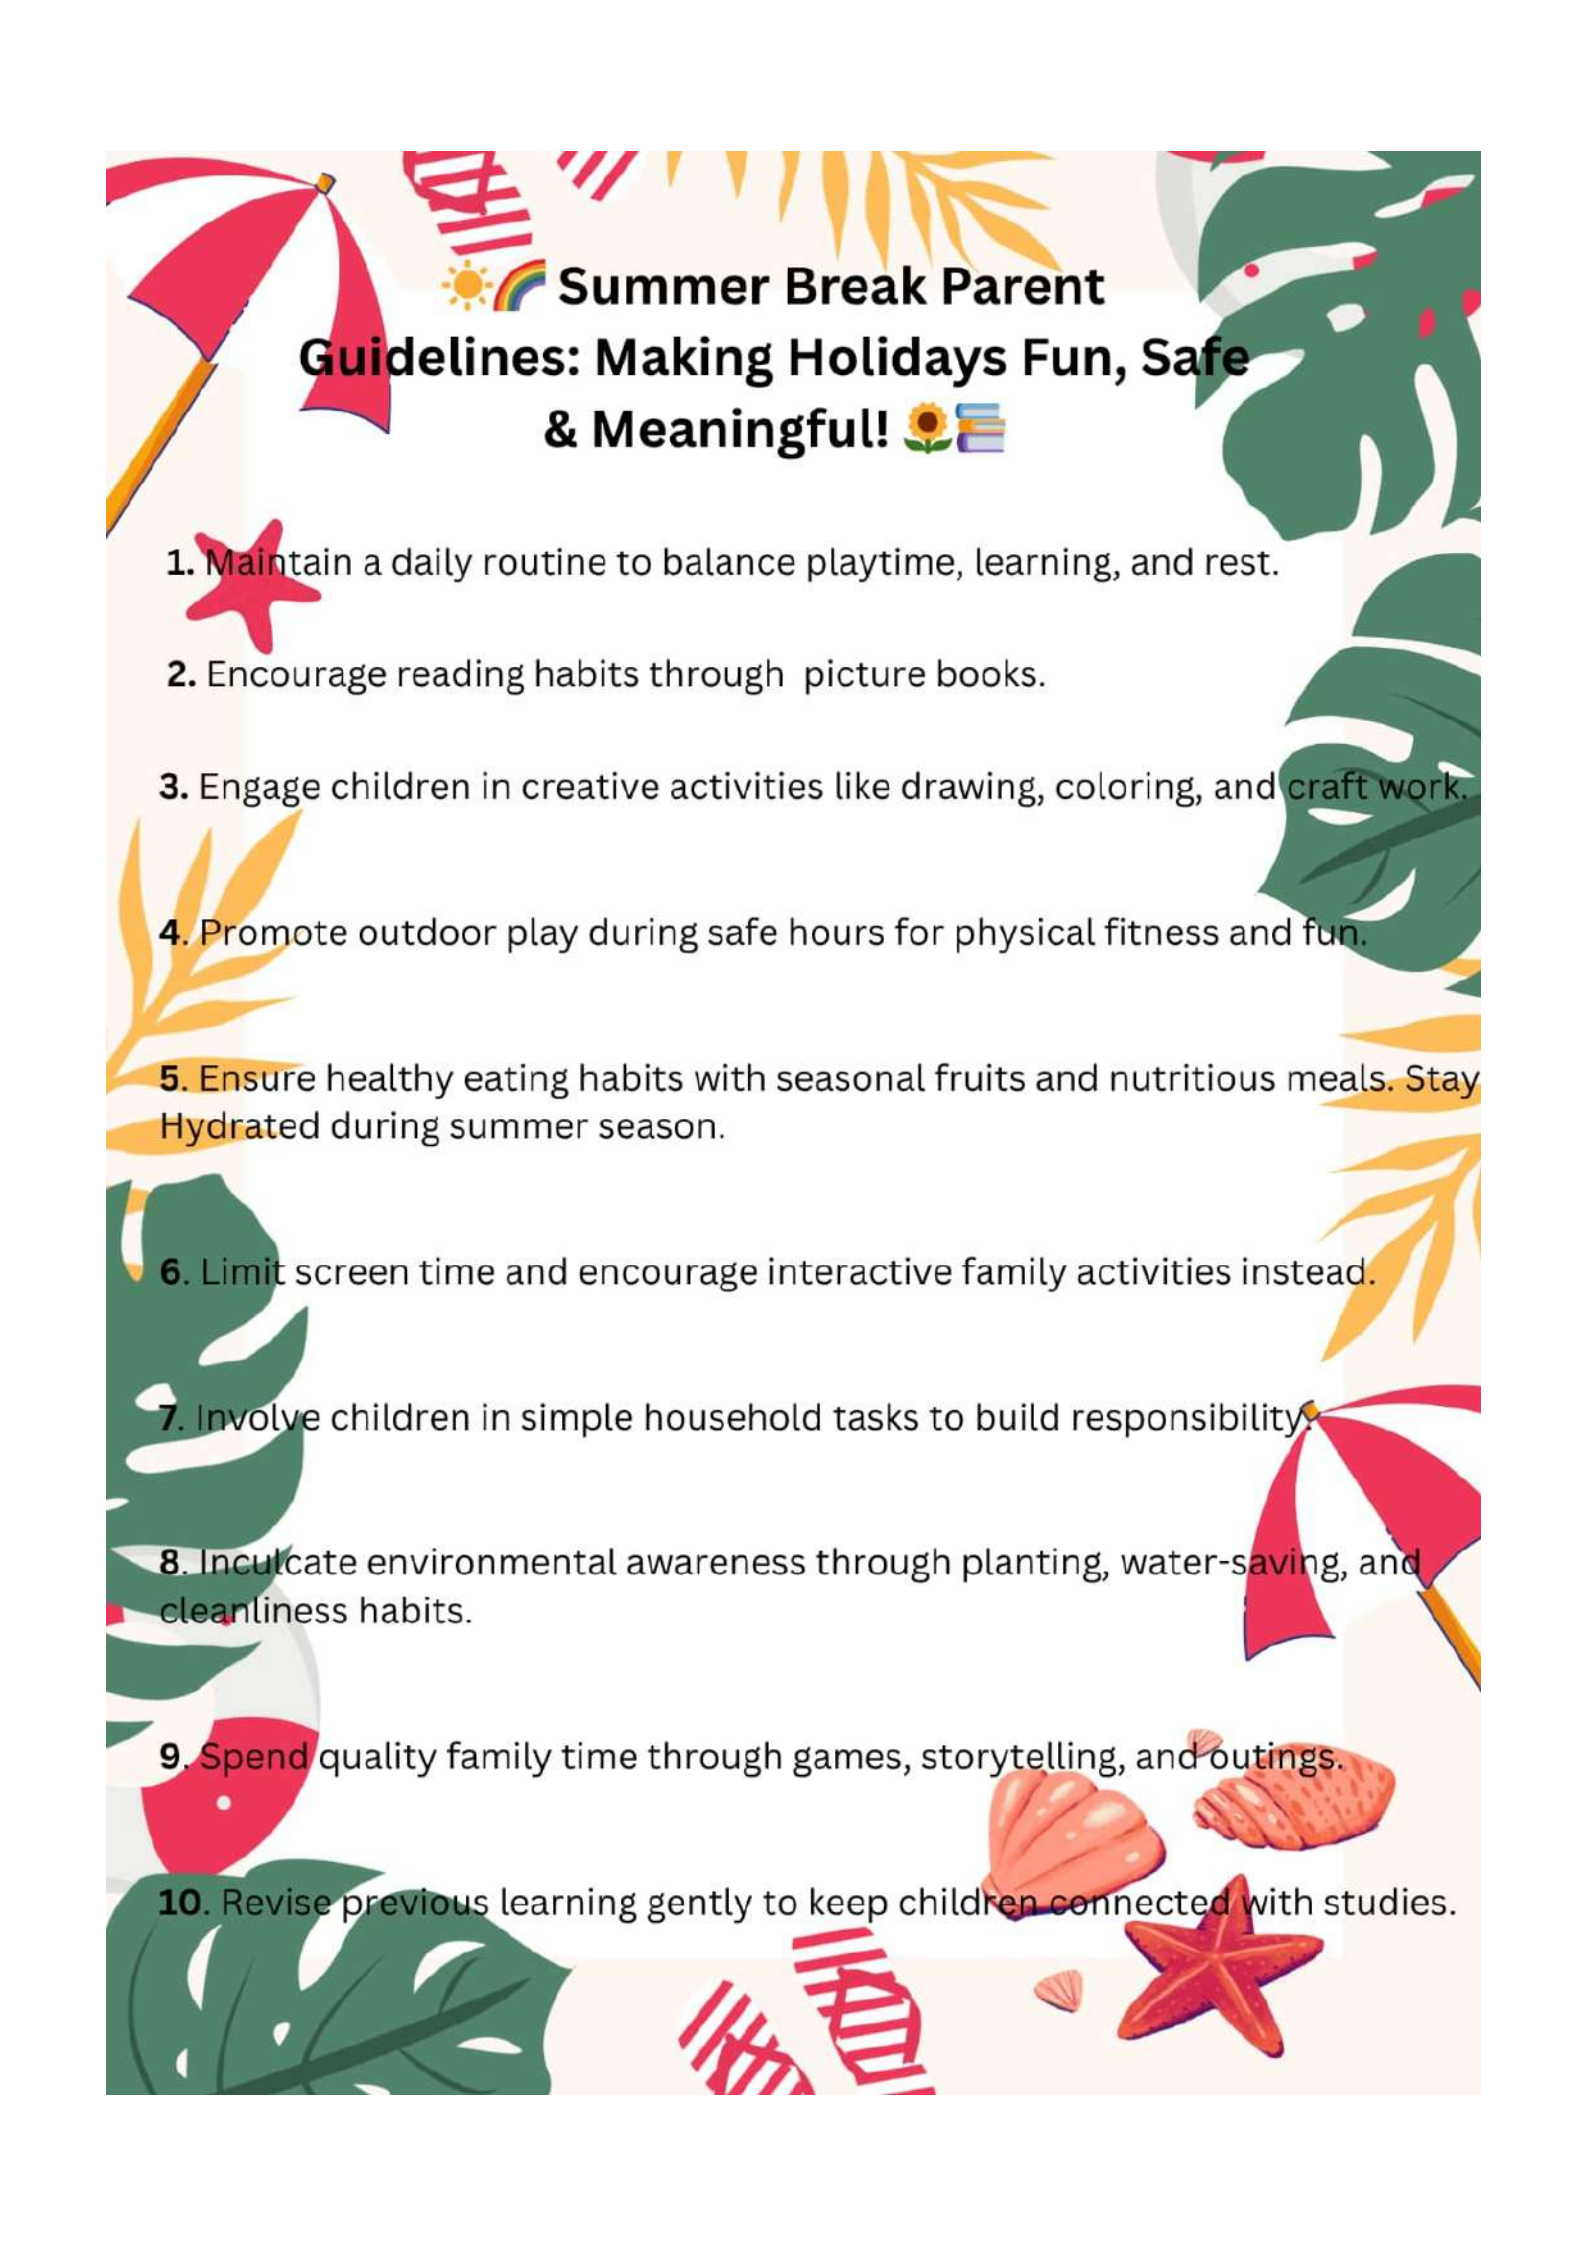

### My Summer Break Rhyme

Summer holidays are here,  
Bringing lots of fun and cheer.  
Golden sunshine, smiling days,  
Filled with games and happy ways.

I will dance and I will play,  
Learn new things each sunny day.  
Eat juicy fruits and ice cream sweet,  
Summer time is such a treat!

I will help my family too,  
Water plants and skies so blue.  
Read nice stories, sing with glee,  
Enjoy nature happily.

When school opens, I will say,  
“I had fun in every way!”  
Summer break was full of cheer,  
Best time of the year!

## Summer Break Parent Guidelines: Making Holidays Fun, Safe & Meaningful! 🌞📖

1. Maintain a daily routine to balance playtime, learning, and rest. 🌟
2. Encourage reading habits through picture books.
3. Engage children in creative activities like drawing, coloring, and craft work.
4. Promote outdoor play during safe hours for physical fitness and fun.
5. Ensure healthy eating habits with seasonal fruits and nutritious meals. Stay Hydrated during summer season.
6. Limit screen time and encourage interactive family activities instead.
7. Involve children in simple household tasks to build responsibility.
8. Inculcate environmental awareness through planting, water-saving, and cleanliness habits.
9. Spend quality family time through games, storytelling, and outings.
10. Revise previous learning gently to keep children connected with studies.

## LEARNING ADVENTURE:

Do the following pages in your respective workbooks

**Hindi Workbook:** Practice page number 2 to 11( क-ड )during summer break.

**Maths Workbook:** Practice page number 2 to 7 ( Counting from 1-10) during summer break.

**English Workbook:** Practice page number 2 to 5 ( Alphabets Aa-Zz) during summer break.

  **Little Hands, Big Change – Love Your Environment**  

### It's Green O' Clock

Celebrate Environment Day by making a bird feeder with recycled materials.

This fun activity teaches children to recycle, care for birds, and love nature.

Enjoy creative bonding time together this summer break.

Let's work towards a greener and happier planet!

You can use the following links for making bird feeder:

## “Father’s Day Special Surprise!”

Every 3rd Sunday of June is celebrated as Father’s Day every year.

### 1. PLAN THE SURPRISE:

Mothers, let’s make Father’s Day extra special.

Plan a fun surprise activity for father with your child.

### 2. MAKE A SPECIAL TREAT:

Help your child prepare a yummy sandwich/snack for father.

Use father’s favorite ingredients with love.

### 3. CLICK A MEMORY:

Capture a beautiful photo of your child surprising father.

### 4. ENJOY TOGETHER:

Spend quality family time together.

Make father feel loved, appreciated, and special.

Make Father’s Day memorable with love, care, and joyful moments!

## Summer Memories Scrapbook

1. Make this summer break extra special by helping your child create a beautiful scrapbook filled with their favorite pictures and memorable moments from the holidays. This fun activity will encourage creativity, storytelling, and self-expression.

2. Designing a scrapbook will allow children to preserve their joyful summer memories while enhancing their artistic skills through decorating, arranging, and presenting their experiences in a creative way.
